## CONSENT FOR COAT BAG CHARGE

For reasons of health, we have chosen to use Coat Bags to store the children's outer clothing throughout the year. These Bags are to be used each year your child is enrolled here at The Clubhouse and are yours to keep. They will be Imprinted with the class insignia each year (Pups, Fish, Ducks, Dolphins) and become a keepsake for many.

For your convenience we have purchased a supply of these bags. If you do not already have one you may purchase one through us at a cost of \$6.50. For those who do have one, please bring them in when school begins.

Thank you for helping us to keep all the children healthy and happy!
