MISS SHANON & MISS LORI

Our classrooms will begin the changing of the seasons, turning into a Winter Wonderland with snowmen, snowflakes and the colors of winter. This month we will focus on multicultural topics each day at morning meeting. If you have any items or literature that relates to your family's heritage please feel free to bring them in. We can add it to our community bulletin board and it's always fun for the children to get recognized.

You will also find hats and mittens that may have become wet, hung by the boots. PLEASE label everything!!!!
