

# Sprout Class

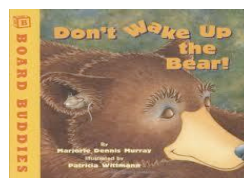

## January 2012 Newsletter

I cannot believe it's already 2012! Happy New Year!

We will be kicking off our month in the Sprout Classroom by welcoming winter and thinking snow.

We will be reading many books, discussing winter weather, including:

[Dream Snow](#), [The Mitten](#), [Don't Wake up the Bear](#), and [One Winter's Day](#).

As we read these various stories we will be creating numerous art projects focusing primarily on fine motor skills.

We will also be continuing to review shape identification and recognizing and identifying numbers 1-10.

I would like to ask you all to visit our website, <http://www.theclubhouseforkids.com>, just to keep everyone up to date. I do have our monthly calendar as well as a snack signup sheet posted near our classes Shoe Pockets. Thank you!

As always feel free to contact me with any questions or concerns.
